

## SpringWorks Therapeutics Announces Pricing of Upsized Public Offering of Common Stock

December 5, 2023

STAMFORD, Conn., Dec. 05, 2023 (GLOBE NEWSWIRE) -- SpringWorks Therapeutics, Inc. (Nasdaq: SWTX), a commercial-stage biopharmaceutical company focused on severe rare diseases and cancer, announced today the pricing of an underwritten public offering of 9,482,758 shares of its common stock at a public offering price of \$29.00 per share. All of the shares in the offering are being sold by SpringWorks. The gross proceeds from the offering, before deducting underwriting discounts and commissions and estimated offering expenses, are expected to be approximately \$275.0 million. The offering is expected to close on or about December 7, 2023, subject to the satisfaction of customary closing conditions. In addition, SpringWorks has granted the underwriters a 30-day option to purchase up to an additional 1,422,413 shares of its common stock at the public offering price, less underwriting discounts and commissions.

Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC, Cowen and Company, LLC and Guggenheim Securities, LLC are acting as joint book-running managers for the offering.

An automatic shelf registration statement on Form S-3ASR (including a prospectus) relating to these securities has been filed with the Securities and Exchange Commission (SEC) and has become effective.

The offering is being made only by means of a prospectus and prospectus supplement that form part of the automatic shelf registration statement. ### About SpringWorks Therapeutics

SpringWorks is a commercial-stage biopharmaceutical company applying a precision medicine approach to developing and delivering life-changing medicines for people with severe rare diseases and cancer.

Founded in 2017, SpringWorks has a diversified targeted oncology pipeline spanning solid tumors and hematological cancers, including clinical trials in rare tumor types and highly prevalent, genetically defined cancers. OGSIVEO™, approved in the United States for the treatment of adult patients with progressing desmoid tumors who require systemic treatment, is SpringWorks' first U.S. Food and Drug Administration (FDA)-approved therapy. SpringWorks' strategic approach and operational excellence in clinical development have enabled it to rapidly advance its lead product candidates into late-stage trials and enter into multiple collaborations with innovators in industry and academia to unlock the full potential for its portfolio and create more solutions for patients with cancer.
